

## **Website and Technology Accessibility Statement**

The Fairmount Fire Protection District is committed to providing accessible services and technology, including website accessibility, to all of its users. To that end, the Fairmount Fire strives to continually evaluate its website and technology, and to improve their accessibility for all abilities.

The Fairmount Fire Protection District's accessibility efforts aim to adhere to the Web Content Accessibility Guidelines (WCAG) version 2.1, conformance levels A and AA. These guidelines help make technology accessible to users with disabilities. There may be areas of the Fairmount Fire Protection District's website and technology where the Fairmount Fire Protection District could improve accessibility. The Fairmount Fire Protection District welcomes feedback on how to improve the accessibility of its website and technology for users with disabilities, as well as requests for accommodations related to the Fairmount Fire Protection District's website or technology.

## **Compliance Officer and Reports**

Fairmount Fire Protection District has designated Dean Brewer as its Compliance Officer for website and technology disability-related accommodations. Users also may contact the Compliance Officer to provide feedback on the accessibility of the Fairmount Fire Protection District's website or technology. The Fairmount Fire Protection District can often resolve accessibility issues in a timely manner if they arise.

If you encounter accessibility barriers on the Fairmount Fire Protection District's website or technology, or would like to request an accommodation, please contact the Compliance Officer at:

accessi@fairmountfireco.gov  
(303)279-2928 ext. 103  
4755 Isabell Street  
Golden, CO 80403

The Fairmount Fire Protection District is committed to providing a timely response to reports of accessibility barriers and requests for accommodation, and seeks to respond to all reports and requests within two business days.

## **Third Party Documents, Websites, and Technology**

Please note that the Fairmount Fire Protection District's website or technology may link to third-party documents, websites, or technology that do not provide accessible content or an accessible user interface. While the Fairmount Fire Protection District cannot control the accessibility of services and information provided by third parties, the Fairmount Fire Protection District welcomes reports of accessibility barriers encountered with respect to any third-party documents, websites, or technology that is linked by the Fairmount Fire Protection District, so that the Fairmount Fire Protection District can evaluate any remedial actions it may reasonably be able to take.
